At 10:30. I will keep my fingers crossed.

When it's ready, please call the Kozaks at 715 588-3934, and if they are home they will start the fax machine and then the letter can be faxed to them. And if I can get a pdf of the signed letter I can print one out at the hotel (maybe) in case the fax plan goes awry.

Thanks.

Okay. When do you leave?

I just talked to Erik and he said that he hopes to have revisions to me within an hour (10am). Meantime, I told Gary to mention to Mike/Margaret that this will be coming up for their

signature today.

Hi Sherry,

Please send updates by text on the letter progress. It's the best way for me to get information at the site. 708 296-0102

Also, I have another idea about a place to meet with all parties. There is a township office building in LDF that is away from the tribal buildings, but along Highway 47 and easily accessible. I will stop in the week to ask whether we can use the meeting room. I have been there for a meeting in the past unrelated to EPA work and it would work well.
